

*Are you a Postdoc? Are you a Junior Lecturer/ Assistant Prof?*

*Do you want to be part of a "Young EURAM"?*

## **CALL FOR PARTICIPATION: 1<sup>st</sup> joint EECC-SIG session**

Building on the success of the EECC "Winter Olympics" we would like to extend the activities of the young EURAM community. To do so, a new format has been developed, which brings together the EECC activities with the SIG activities. We are thus pleased to announce the **first joint EECC-SIG session during the annual conference in Warsaw in 2015.**

### **What are the objectives of this new format?**

- It offers a platform for early career academics from a particular research community:
  - to get to know "your" SIG or to figure out what it is that other SIGs are working on
  - to get career- and research-related insights from peers and senior researchers from your particular research community

### **Why to join?**

- get to know early career academics as well as senior scholars from your research community
- get inspiration and fresh ideas for your future research
- discuss possibilities for joint research projects, grants applications, papers etc. among researchers in your community

### **When will it take place?**

EURAM conference in Warsaw (17 – 20 June, 2015); the session will last approx. 3 hours (day to be announced)

### **How to join?**

Please submit your application\* by January, 31<sup>st</sup> 2015 to the SIG-EECC coordinator of the SIG you are a member or which fits best your research interests. Here is the list of participating SIGs:

### **About EECC**

The aim of the EECC is to offer a platform for early career academics (broadly defined e.g. assistant professors, Post-doctoral researchers, recently appointed lecturers/associate professors, advanced PhD students) to come together to discuss

key challenges, learn from experts and share career related insights. The EECC provides a forum for networking, knowledge exchange and development of research collaborations. If you are interested to get more information about EECC, please contact Anne-Katrin Neyer (EURAM, Vice President EECC): [anne-katrin.neyer@wiwi.uni-halle.de](mailto:anne-katrin.neyer@wiwi.uni-halle.de)
